“For from Him and through Him and to Him are all things.  
To Him be the glory forever. Amen.” Romans 11:36

Dear Praying Friends,

I rejoice in being able to inform you that the English and Thai versions of my book were published in Thailand this past June. The English version has also been made available on Amazon. For those of you living in the US who would like to order the book in bulk quantities in order to receive a discounted price, please contact me ([marynoi@truemail.co.th](mailto:marynoi@truemail.co.th)) as it is available through my co-worker in Chattanooga, Tennessee.

I want you to know that God specifically directed me to write this book to honor His name and to win souls for Him (You can read about this in the introduction to my book.) I began writing this book in the spring of 2017 and joyously wrote the first six chapters quite quickly. Therefore, I never thought it would take five long years to complete!

It was during the writing of chapter seven through twelve that I experienced many trials and fierce

spiritual battles. I struggled with various health problems including physical pain that was due to Office Syndrome. In January, 2020, I was so ill that I needed to be hospitalized. During that time, I became very discouraged, but God helped me realize that the devil was trying to prevent me from completing the book as he knows its purpose. So, I kept looking to God for His help.

After one whole year of not being able to get anything done except for taking care of my health, God in His goodness, revived me. In January 2021, I was able to continue working on the book and finished it at the end of October, 2021. Then I encountered many problems with the layout work which delayed it being published. However, I praise God for the long process of working on this precious book because throughout this time, I experienced much of God's faithfulness, goodness, mercy and provision.

So far, I have received very good feedback from those who have read it. The book is very easy and simple to understand and many people have said that once they started reading it, they did not want to put it down. Praise God for that! Also, over the past five years, many lives have been transformed through this book. To God be the glory!

After the book was completed, I realized that it is very practical for two important purposes: evangelism and discipleship. Please join my working team and me in prayer, asking God to use this book mightily around the world to win many souls to His kingdom, and provide Christians with a solid foundation in their walk with the Lord. I give God all the glory and honor for all that He has done.

I am now able to take a sabbatical rest and focus on taking care of my poor health. Please pray for my healing.

In Him,  
Mary Noi (Chanaddah Chaisakorn)
