“Now to our God and Father be the glory forever and ever. Amen.” Phil. 4:20

Dear Praying Friends,

Over the past several months, God has provided the opportunity for Thailand Women's Ministry to reach out to prisoners through the gifting of the "Knowing the One True God" books which many of you donated. Some prisons placed the books in their libraries while others gave them to their prisoners to own. In a prison in the city of Khon Kaen (northeast of Thailand), 165 prisoners were thrilled to be able to own a copy. These prisoners have been regularly attending bible study inside the prison. It was quite encouraging to see the prison officials helping pass out the books.

My teammates and I were greatly encouraged in sharing the Gospel with prisoners because they gave us their full attention and were very responsive. After our sharing, we gave the books to their libraries because these prisoners do not have enough space in their lockers.

Last time, I shared with you the fact that I had been able to coordinate with "The Way of Life" organization in sending books to prisoners that had signed up for weekly correspondence. Thanks to your donations, we have been able

to send them over one thousand copies so far. Therefore, I thought you would love to hear feedback from some of the prisoners who have read the book.

Let's hear from the prisoners:

- *"This is one of the best books I have ever read; I have already read it twice! It is easy to understand. It has thought-provoking questions, answers from the Word which reveal truth, and uses appropriate quotes such that I can visualize situations as I read about them. This book has opened my eyes and my heart to things that I never knew, such as having a more complete picture*

of the One True God. I now know that God is great and is exactly the way He is described in the hymn that I like to sing, "How Great Thou Art". This book is truly God's provision as He knew in advance what His children in prison would need. Consequently, there are many new believers here in section four of the prison. I have been using this book as a teaching manual because it greatly opens the eyes of new believers after they know the truth. Please pray for us."

- *"I want to express my appreciation to those responsible for sending me this book. I read it and it is excellent! God has revealed so many things to me. He is great and all-powerful, especially in the work of His creation. It's good for researching Scripture verses and it's so easy to understand."*
- *"What I learned from this book is that the story about God is truly good news. The Word of God has made me aware of my sins. I have also learned that Jesus Christ died on the cross to save all of humanity from the consequences of sin, therefore it is very helpful for prisoners to learn about sin and the love of God."*
- *"I have learned so much about God through this book, such as His characteristics, His teaching, and how to live a Christian life. It is a great benefit for those who are discouraged in life."*
- *"This is a very readable book; sentence arrangement and wording make it easy to understand. After reading it, I felt that I was closer to God, as if I had actually experienced being there with Christ. I have a better understanding of God from reading this book than from reading the Bible."*
- *"Through reading this book, I gained a lot of knowledge about Jesus Christ and now know His story. Reading it helps calm my mind."*

Now, we are facing a bittersweet problem in that there are still more than 4,000 prisoners on a list, waiting to receive the book. Therefore, I am looking to God to provide financial support to buy books for all of them. I can't do it alone! Please join me in prayer in asking the Lord to provide all that is needed for those lost souls. Just in case you are wondering how much the Thai book costs, it's only USD \$7.50 to \$8.00 depending on the exchange rate. Although this is a big task ahead of me, I am encouraged by this truth, "The silver is Mine and the gold is Mine, declares the Lord of hosts." (Haggai 2:8)

May our great and mighty God receive all the glory and honor.

In Him,
Mary Noi (Chanaddah Chaisakorn)
